

*** CLASS SIGN-UPS ***

Yes, this year I am "Putting The Cart Before The Horse" as "they" say! = ;-D

The Shopping Cart for Class Sign-Ups, that is! YAY!

Yes, your wish has been fulfilled: you may sign up online here and now!

Folks reading this who would like to send **Checks or Money Orders in U.S. Dollars** for classes may do so as well, but I advise you *not* to delay! Others are signing up now as you read this, as *online payment is instantaneous*. Send your name and contact info **including phone number**, list of classes you are paying for (itemized by teacher, title, day and time) and payment now to:

BlackSheep BellyDance (make Check or M.O. to that name as well), P.O. Box 791000, Paia, HI, 96779-1000

I sincerely advise that you use Priority or Express Mail with insurance (for tracking purposes) if sending checks or money orders.

Please be extra-careful that you take note of each class time to ensure you are not signing up for anything overlapping. There are about 50+ classes over 5 days for you to choose from in many genres and styles of dance. It may be a good idea to print out the Class Schedule before making your decisions, or wait for the full descriptions to go online if unsure of content or skill level.

In fact, *everything* in regards to your classes is *your* responsibility to read, remember and attend. **There are NO REFUNDS under any circumstances, so make your decisions wisely.** (FYI: Many folks have been able to trade or sell class tickets on our Tribe, however.)

Print out TWO COPIES of your online transaction receipt with the classes itemized on it so you can keep track yourself. **That one is for you, which you must bring to Tribal Fest to show at the door to gain admittance to your classes in the rare case of a mix-up**, and one to send to me if you wish to perform as proof of class sign-up at that time. **You cannot sign up to perform without a printed copy of your receipt. You may not gain entrance to classes without a printed copy of your receipt.** Thank you for being clear on this!

OK, have at it!

PLEASE NOTE the different prices for online class payments and for check or money order class payments, thank you.
